Request for an Infant Incubator

Our Hospital BH-Puttalam is a type "A" Base Hospital in the North Western Province in Puttalam District, with a functioning obstetric unit as well as a pediatric unit including a Neonatal unit.

Number of deliveries per year given below.

- 2013 – 6744
- 2014 – 6972
- 2015 – 6161
- 2016 up to July 31st – 4112

Out of these deliveries, 60% - 80% of babies have got admitted to the Neonatal Unit and 30% of these admissions are due to Prematurity. Currently we are functioning with only two working infant incubators in the Neonatal Unit.

We would be much grateful to you if you could arrange a donation of a infant incubator.

Thank You.
